

**Hyde War Memorial Hall 'Art Space' welcomes ....**

**Valerie Nerva**, presenting work from her "A Walk in the Woods" series of paintings inspired by the New Forest area.

*"I am always seeking to express the emotional connection I feel when out in the natural world; the peace, the spirit and sense of place and what lies beyond the purely physical.*

*I choose the colours to suggest a mood or feeling, which may be very different from the natural colour.*

*I use mainly rich, vibrant oil paint, which allows the paintings to slowly evolve and come into being, making each painting unique and special."*

Valerie's pictures are for sale and each is labelled and priced separately.
